

Resolution Endorsing Building of the New Elementary School on the Williamsburg Campus

WHEREAS Arlington has consistently supported the renewal of its schools through maintaining and improving our facilities;

WHEREAS Arlington Public Schools has experienced an eighteen percent increase in enrollment in the last five years and a twenty-eight percent increase in enrollment at the elementary level during the same time period;

~~**WHEREAS** Arlington Public Schools has utilized numerous strategies to maximize facility use and has engaged in an extensive community process to plan the most feasible locations for construction of new space based on a range of relevant factors; and~~

WHEREAS passage of the 2012 school bond referendum has provided funding to design a new elementary school on the Williamsburg campus.

THEREFORE BE IT RESOLVED that we endorse the building of the new elementary school on the Williamsburg campus.
