

PLEASE READ THIS PAGE BEFORE TURNING TO THE CAST AND CREW LISTS

Thanks to all who are interested in participating in Jamestown's 2020 production, TBD! We had an overwhelming response with 185 Jamestown students registering for the chance to participate! As much as we want to take all students, we cannot accommodate everyone due to safety, space, and management issues. This year, we have over 125 students participating in all aspects of the production.

On Wednesday, November 27th, we held a lottery for the 1-3 chorus. As many of you know, this is the 10th year that we have had to use a lottery due to high student interest in participating in the production - however, we only had to use a lottery for the 1-3 group, as we tried to include as many students as possible.
